

BioWoodenPolymer by **Bhelg**

Pioneering Eco-Friendly Solutions

VOL.1

BioWoodenPolymer boasts the durability of plastic without being plastic itself

100%

NATURAL MATERIALS

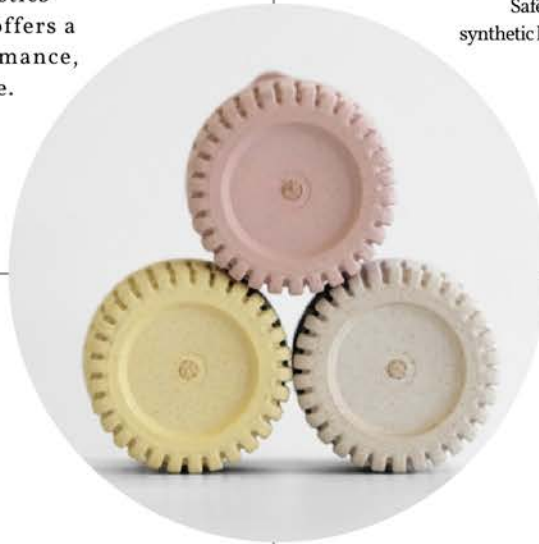

Crafted from a blend of wood and natural materials, this product achieves the durability of traditional plastics through a natural approach. It offers a sustainable yet powerful performance, making it an eco-friendly choice.

100%

SAFETY

Free from Heavy Metals and Environmental Hormones

Safety Assurance: Crafted without heavy metals or synthetic hormones, upholding environmental integrity.

DURABILITY

Broad Temperature Resilience

Easy to use: Withstands extreme temperatures from -94°F to $+291^{\circ}\text{F}$, suitable for freezers, microwaves, and dishwashers.

AFFORDABLE

Eco-Friendly Products

"Sustainability for Everyone": We believe that eco-friendly products don't have to be expensive. By offering them at comfortable price points, we make sustainable products accessible to a wider audience. Our goal is to turn environmental protection into a reality that everyone can practice

LET'S TALK BUSINESS

ECO-BOOST YOUR BRAND TODAY

Full – Customization

Welcome to our full customization process.
Here is how we start

1. Gather Your Requirements

Submit your desired product specifications, including design, color, and packaging preferences.

2. Our Expert Review

Our team will thoroughly review your requirements to ensure feasibility and alignment with our production capabilities.

3. Transparent Communication

We will keep you updated on the progress of the review process.

4. Quotation and Production Plan

Once the review is complete, we will provide you with a detailed quotation and a proposed timeline for product development. We are committed to working closely with you to bring your vision to life, ensuring each step is clear and aligned with your expectations.

Contact Our Sales Team for Inquiries

Have questions or need assistance with our products and services? Our dedicated sales team is here to help you. Please direct all your inquiries to our sales channel for prompt and professional support.

Email us at: contact@bhelg.com

We look forward to assisting you and ensuring your experience with BHELG is seamless and satisfactory.

For all inquiries including prices, MOQ (Minimum Order Quantity), and inventory, please reach out to us at contact@bhelg.com. We are here to assist you with any questions and provide the information you need.
